SPRING-CLEANwhere rubbing can't reach!

ADVERTISER'S ANNOUNCEMENT.

Fortunes will depend upon the result of the Grand National-the

world's greatest steeplechase-

which is run at Aintree to-day. The first big handicap of the sea-

son, the Lincolnshire, provided

what the racing fraternity call a

"turn-up." Will the Grand National

see the favourite first past the post? Four heavily backed candidates, with their last night's callover prices, are pictured above. (Inset in circle) A jump typical of

the formidable obstacles which they will be called upon to negotiate.

> IN CORNERS of rooms-in folds of fabric upholstery-deep in the pile of carpets—"waterproofed" dirt is lurking atmospheric acids are discolouring. That is why you need a little Scrubb's Ammonia in all spring-cleaning water.

Ammonia has a scientific action in assisting hot water to dissolve grease . . . and is a well-known antacid. Scrubb's is refined and blended for maximum strength, yet it is beneficial to the skin.

Sold by Grocers, Chemists & Stores. Made only by Scrubb & Co. Ltd., London, S.E.11. Two sizes 10d. & 1/4 per bottle. Refuse substitutes. These prices do not apply in the Irish Free State.
